Profile and Search Committees:

Applications Invited

On July 13th, the Vestry will appoint members of the Profile and Search Committees. It seems like a very long time since we invited applications, so we are asking again. We have a new story to tell now, and perhaps new priorities. Please consider whether you are called to serve on one of these committees. Canon Simpson will meet with the Committees and Vestry on September 12th. The work of the Profile Committee will take place in the fall; the work of the Search Committee will take place in the winter and early spring. Please contact Ginny Starkis or Susan Edmondson if you are interested in learning more.

Next Steps: Moving Forward

The diocese has developed a checklist for preparing to re-open our buildings. The Vestry will develop a strategy based upon this checklist, including disinfecting the sanctuary and the church building. When we have completed the requisite cleaning and we have protocols for meetings, gatherings, and office operations, we will submit our plan to the Dean for review. When the Dean has approved the plan, it will be sent to the Bishop for review. With the Bishop's approval, we will implement our plan.

Until then, we will continue with online Sunday Morning Prayer. Music will be incorporated into the service, and we will explore new ways to continue building our community.

Pledges

Thank you to everyone who has continued regular offering of your pledges. Our expenses continue even with our suspension of normal activity. During this period, please mail your pledge to the parish office to the attention of the Treasurer. Some of you are facing financial stress: If so, please give what you can; if not, please give a bit extra to support those who cannot.
